Custom Bungalow Grounded in Its Setting

Set within the prestigious estate community of Emerald Links, this custom-built bungalow is defined by its grounds—an expansive, private acre that evolves with the seasons and anchors the home in its landscape.

In summer, the property comes alive. Layered perennial gardens, mature trees, and thoughtfully designed stonework are supported by a full irrigation system, creating a setting that feels both curated and organic. The south-facing backyard captures light throughout the day, centred around an inground saltwater pool, generous entertaining areas with a waterfall feature, a custom gazebo, and a tucked-away hot tub—each positioned to take in the surrounding greenery. Equally suited to quiet mornings and relaxed evenings. In winter, the landscape settles into a snow-covered backdrop, offering a sense of privacy that highlights the property’s beauty.

Inside, the home opens with volume and light. A grand entry leads to soaring ceilings and a full wall of windows that frame uninterrupted views of the landscape beyond. The living room is anchored by a striking floor-to-ceiling stone fireplace, open to the formal dining area and seamlessly connected to a well-appointed kitchen. Here, an expansive centre island, stone counters, abundant storage, and a butler’s pantry support everyday living and larger gatherings, while the sunlit eating area looks the gardens and pool.

The layout is thoughtfully balanced. A private primary suite occupies one wing, complete with two walk-in closets and an oversized ensuite featuring dual vanities, a soaker tub, and separate shower. On the opposite side, two additional bedrooms—each with walk-in closets—share a five-piece Jack and Jill bath. A combined laundry and mudroom with access to the triple car garage, along with a powder room, complete the main level.

The lower level extends the home’s versatility, offering a bright, open footprint with a large family room, games area, dedicated home theatre, an additional bedroom with gas fireplace, and a full bath—ideal for guests or extended family. A substantial unfinished area provides excellent storage, and a second inside access to the garage.

Tucked within an exclusive enclave of custom estate homes, this property offers the privacy of country living with the convenience of the city—just 25 minutes to downtown Ottawa and minutes from Manotick and Barrhaven, with easy access to schools, shopping, dining, and the airport. The Bowesville LRT station is just a 5-minute drive away, offering ample parking and a convenient commute.
